

Stillwater Boating Club Incorporated

Individual/Associate New Membership Application

(1 July 2025 - 30 June 2026)

70 Duck Creek Road,
Stillwater
Auckland, New Zealand
0993

The Boating Club at Stillwater occupies Buster Elliott Memorial Reserve on Duck Creek Road and is on the Weiti River. Our amenities include ramp, members wharf, pontoon, grid, hard stand / haul out area, members dinghy lockers, work sheds, and club rooms with bar and kitchen.

The club was inaugurated in 1971. The ramp was opened in 1981, and improvements continued in the original spirit of volunteers and self-funding, until 2016. The Reserve as it appears today is on reclaimed land, a long slog for the original members of the club who were determined to create an all tide ramp and suitable haul out facilities. The reserve, wharf, original ramp and club rooms have all been built with volunteer labour from both the local community and club members

Please complete the following details, in Capitals & in full, and return to the Boat Club or email to secretary@swbc.co.nz
Your new season car park sticker(s) will be sent when we receive this. (Keep your receipt as proof in the meantime)

Email is our preferred method of communication now that postal services are diminishing, however for those that do not use this at all, we will still post out necessary information. The quickest and easiest access to the latest information, forms, fees, events and notifications, is on our website www.swbc.co.nz

As we are a club focused on boating, we need to keep an accurate record of the vessels our club members use. This information will be kept confidential apart from instances of safety and welfare, and planning member events.
